

## **Majid Molaie, M.D., FAAN**

### **Address:**

OFFICE: 1294 W. Sixth Street, Suite # 204  
San Pedro, CA 90731  
Telephone: 310-514-8034  
FAX: 310-833-3508  
E Mail: [NEUROPSYCHEXPERT@GMAIL.COM](mailto:NEUROPSYCHEXPERT@GMAIL.COM)

### **EDUCATIONS & POST-DOCTORAL TRAINING:**

1994-95 Mid-Career Faculty Fellowship, Geriatric Medicine, UCLA, Los Angeles, CA  
1979-80 Fellow in Clinical Neurophysiology, University of Wisconsin, Madison WI  
1978-79 Fellow in Clinical Neurophysiology, Cornell Medicine Center, New York, NY  
1976-78 Resident in Neurology, Temple University, Philadelphia, PA  
1975-76 Resident in Neurology, St. Louis University, St. Louis, MO  
1974-75 Intern in Medicine, Morristown Memorial Hospital, Morristown, New Jersey.  
1973 M.D. at National University of Iran Medical School, Tehran.

### **ACADEMIC APPOINTMENTS:**

1995-1996 **Professor** of Neuroscience, Seton hall University, South Orange, New Jersey  
1989-1995 **Associate Professor** of Neuroscience, King Drew/ UCLA, Los Angeles, CA  
1982-1988 **Assistant Professor** of Neurology, State University of New York, Syracuse, NY  
1980-1981 Clinical Assistant Professor of Neurology, College of Medicine and Dentistry of New Jersey, Newark, NJ.

### **Specialty & Sub-Specialty Board Certifications:**

2007 Neurobehavior & Neuropsychology  
2005 American Society of Neuroimaging  
1991 American Board of Sleep Medicine  
1983 American Board of Qualification in Electroencephalography  
(Clinical Neurophysiology)  
1980 American Board of Psychiatry and Neurology (Neurology)

**Specialty Membership:**

2000-present	The Movement Disorder Society
1991-present	American Heart Association, Stroke Council ( <b>Fellow</b> )
1991-present	American Sleep Disorder Association ( <b>Fellow</b> )
1984-present	American Association for the Study of Headache
1981-present	American Epilepsy Society
1980-present	American EEG Society ( <b>Fellow</b> )
1976-present	American Academy of Neurology ( <b>Fellow</b> )

**Administrative Responsibilities:**

1995-1996	Director, Clinical Neurophysiology and Sleep Laboratory, Neuroscience Institute, JFK Medical Center, Edison, NJ.
1995-1996	Director, Comprehensive Epilepsy Program, Neuroscience Institute, JFK Medical Center.
1989-1995	Chief, Neurology Division, Neuroscience Department, Drew Medical Center.
1986-1988	Member, Research Project Review Committee, SUNY, Syracuse, NY
1981-1988	Director, Clinical Neurophysiology Laboratory, VAMC, SUNY, Syracuse, NY

**Hospital Privileged:**

2000-present	Little Company of Mary Hospital, Torrance, CA
1991-present	Little Company of Mary San Pedro Hospital, San Pedro, CA
1995-1996	JFK Medical Center, Edison, NJ
1994-1995	UCLA Medical Center, Los Angeles, CA
1989-1995	Martin Luther King Medical Center, Los Angeles, CA
1981-1988	VA Medical Center, Syracuse, NY
1981-1988	State University of New York Medical Center, Syracuse, NY

**Journal Reviewer:**

EPILEPSIA  
EEG AND CLINICAL NEUROPHYSIOLOGY

### **National and International Presentations:**

- Molaie, M.: The variety of Guillan-Mollaret Triangle in palatal myoclonus; a clinico-pathological review. Ann. Phil. Neurol. Soc., Philadelphia, PA, 1977.
- Molaie, M., Fariello R: Electroencephalographic findings in Wegener's Granulomatosis. 34<sup>th</sup> Ann. Meeting of the Am. EEG Soc., Boston, MA 1980.
- Molaie, M.: Scalp-recorded short latency peroneal evoked potentials in normals and patients with unilateral hemispheric lesions. 38<sup>th</sup> Ann. Meeting of the Am. EEG Soc., Salt Lake City, Utah, 1984.
- Molaie, M., Culebras, A., Miller, M.: Hyperprolactinemia: An inherent manifestation of patients with complex partial seizures. 109<sup>th</sup> Ann. Meeting of the Am. Neurol. Assoc., Baltimore, MD, 1984.
- Molaie, M., Culebras, A., Miller, M.: Hyperprolactinemia in epileptics and non-epileptics with structural brain lesions. Ann. Meeting of the Am. Epilepsy Soc., San Francisco, CA., 1985.
- Molaie, M., Culebnras, A., Miller, M.: Nocturnal plasma prolactin levels in epileptic patients with primary generalized and complex partial seizures. 37<sup>th</sup> Ann. Meeting of the Am. Acad. Neurol., Dallas Texas, 1985.
- Molaie, M., Culebras, A., Taskey, B., Miller, M.: Nocturnal prolactin secretions in epileptics and non-epileptics. 16<sup>th</sup> Epilepsy International Congress, Hamburg, West Germany, 1985.
- Molaie, M., Spadero, J.: Intraoperative evaluation of the scalp-recorded middle latency somatosensory evoked potentials. 39<sup>th</sup> Ann. Metting of the Am. EEG Soc., Orlando Florida, 1985
- Molaie, M., Olson, C.M., Koch, J.: The effect of intravenous verapamil on acute migraine headache. 38<sup>th</sup> Ann. Meeting of the Am. Acad. Neurol., New Orleans, LA 1986.
- Molaie, M. Culebnras, A., Cruz, A.: The effect of thyrotropin releasing hormone on nocturnal epileptiform discharges in epileptic patients. Ann. Meeting of the Am. Epilepsy Soc., Seattle, WA 1986
- Molaie, M., Collins, G., West, NR.: Somatosensory evoked potentials in rats with dorsal column injury. 40<sup>th</sup> Ann. Meeting of the Am. EEG Soc., Seattle, WA 1986.
- Molaie, M., Cruz, A., Culebras, A.: The effect of epileptiform discharges on neurohormonal secretions. 39<sup>th</sup> Ann. Meeting of the Am. Neurol., New York, NY, 1987.

- Molaie, M., Cruz, A.: The effect of sleep deprivation on Interictal epileptiform discharges. 39<sup>th</sup> Ann. Meeting of the Am. Acad. Neurol., New York, NY 1987.
- Molaie, M., Soges, L.J.: Adult onset basilar artery migraine. Ann. Meeting of the Am. Assoc. for the study of headache, San Francisco, CA 1988.
- Molaie, M., Kadzielawa, K: The effect of naloxone infusion on the rate of epileptiform discharges in patients with complex partial seizures. Ann. Meeting of Am. Epilepsy Soc., San Francisco, CA 1988.
- Molaie, M., Santana, H.B., Cavanaugh, W.: Benign epileptiform transients of sleep (BETS) revisited. Ann. Meeting of Am. EEG Soc., San Diego, CA 1988.
- Molaie, M., Nelson, L., Locke, G.: Post-traumatic seizure in urban civilian population of Los Angeles. Ann. Meeting of Am. Epilepsy Soc., Boston, MA, 1989.
